AUDITORS' REPORT

To the Board of Directors of the Canadian Foundation for Ukrainian Studies:

We have audited the statement of financial position of Canadian Foundation for Ukrainian Studies as at December 31, 2007, and the statements of operations and changes in fund balances and cash flow for the year then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In common with many non-profit organizations, the Foundation derives a portion of its revenue from items, the completeness of which is not susceptible to satisfactory audit verification, such as donations and encyclopedia sales. Accordingly our verification of these revenues was limited to the amounts recorded in the records of the Foundation and we were not able to determine whether any adjustments might be necessary to donations and encyclopedia sales, revenue over expenses, total assets or fund balances.

In our opinion, except for the effect of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of the donations and encyclopedia sales referred to in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the Canadian Foundation for Ukrainian Studies as at December 31, 2007 and the results of its operations and its cash flow for the year then ended, in accordance with Canadian generally accepted accounting principles.

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2007**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(f) Change in Accounting Policy (Continued)

CICA Handbook Section 3855 : "Financial Instruments - Recognition and Measurement" and Section 3861 : "Financial Instruments - Disclosure and Presentation", effective for fiscal years beginning on or after October 1, 2006, establishes standards for the recognition, classification and measurement of financial instruments including presentation of any resulting gain or losses.

3. DESCRIPTION OF FUNDS

(a) Unrestricted General Fund

The Unrestricted General Fund accounts for the Foundation's program delivery and administrative activities and accounts for unrestricted contributions to the Foundation. The appropriation of resources from the Unrestricted General Fund is made by majority motion of the Foundation's Board of Directors. Appropriations are made to designate and set aside funds for specific commitments approved by the Board.

(b) Internally Restricted Funds

(i) Endowment Fund

This fund has been established to set aside estate and memorial donations received by the Foundation. The investment income earned on the donations may be used at the discretion of the Foundation's Board of Directors.

(ii) Presidents' Memorial Scholarship Fund

This endowment fund was created in 1994, by an appropriation of \$100,000 out of the Unrestricted General Fund, to honour the memories of individuals who, while at the head of the Foundation, made a contribution to Ukrainian studies. The income from this fund was to be used to support university students in Ukrainian studies. The fund is presently inactive pending a resolution from the Board to redefine the fund.

6. UNRESTRICTED GENERAL FUND

The Unrestricted General Fund amounting to \$372,339 (2006 - \$341,633) includes net assets of \$1,495 (2006 - \$520) invested in capital assets which, by their nature, are unavailable for unrestricted use. Therefore only the balance of net assets of \$370,844 (2006 - \$341,113) are available for unrestricted use.

7. USE OF ESTIMATES

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting periods presented. Actual results could differ from these estimates.

8. FINANCIAL INSTRUMENTS

The Foundation has designated all of its financial instruments as held-for-trading which means that they are measured at fair value with gains or losses recognized in operations. Due to the short-term nature of the following financial instruments held by the Foundation, including cash, accounts receivable, accounts payable and accrued liabilities, and appropriated funds payable, the carrying values as presented in the financial statements are reasonable estimates of fair value. Investments are carried at fair market value using quoted market values. It is management's opinion that the Foundation is not exposed to significant currency or credit risk arising from any of its financial instruments.
